

# Helping parents support communication and language development at home .....

An App for Peterborough and Cambs that's FREE to download with links to low-cost or no-cost activities both indoors and outside, and makes links to places to visit locally

Play-based and FUN ! Gives parents confidence to support their child's learning at home and help them be ready for school.

Each activity includes information on key vocabulary, stories to share, resources and supporting children with SEND

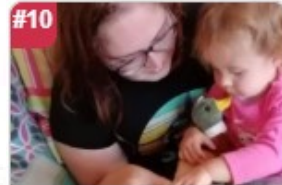

# 50

things to do

before you're

# five

#10

## Sharing Books

Sharing books is a wonderful thing to do with young children.

# What next?

- Use the app in your setting to support curriculum planning e.g., ideas, experiences and activities
- Share your activity ideas from the app with parents to try at home
- Promote the 50 Things App to all parents and encourage them to scan the QR code to download the app
- Encourage parents to use the app to support their child's learning at home
- Ask parents to enter their postcode
- The postcode data is anonymous but helps parents receive relevant localised activities and for us to know which activities are popular and how many Peterborough users we have
