

# Key stage 1 English writing standardisation exercise 1

For the purpose of this standardisation exercise, you should assume that discussion with the teacher during the moderation visit has satisfied you that the writing is independent, including the use of any source material, and that any edits are the pupil's own.

Where handwriting seems inconsistent, you should base your judgement on the strongest piece, and assume that this is validated by further evidence in the pupil's books.

Where there is no evidence of correct spelling of words from the statutory word lists in the pupil's independent writing, you should assume that the teacher has provided evidence in the form of spelling tests and/or writing from across the curriculum.

This exercise does not contain any collections from pupils deemed to have a particular weakness.

You should not assume that the exercise includes one collection from each of the standards within the <u>English writing framework at key stage 1</u>: working towards the expected standard, working at the expected standard or working at greater depth. Each collection should be judged individually.

Please ensure you input your answers correctly into the response survey and submit before 10am Monday 12 November 2018.

# **Pupil B**

This collection includes:

- A) a recount
- B) an email
- C) a retelling of a traditional tale
- D) a warning poster
- E) a story

#### Pupil B - Piece A: a recount

Context: as part of their dinosaur topic, pupils invited their parents into school for a parents' café. Having talked to their parents, pupils undertook some dinosaur-related activities, following these up the next day with a surprise 'find' in the sandpit. Pupils were asked to write about their experiences in any form they wished. The gaps show where the names of friends have been deleted.

#### Pupil B - Piece B: an email

Context: as part of their topic on giants, pupils shared the story of *The BFG* (Roald Dahl). They then adopted the role of the lead character 'Sophie' to write an email to a friend, expressing her perceived distress at seeing a giant.

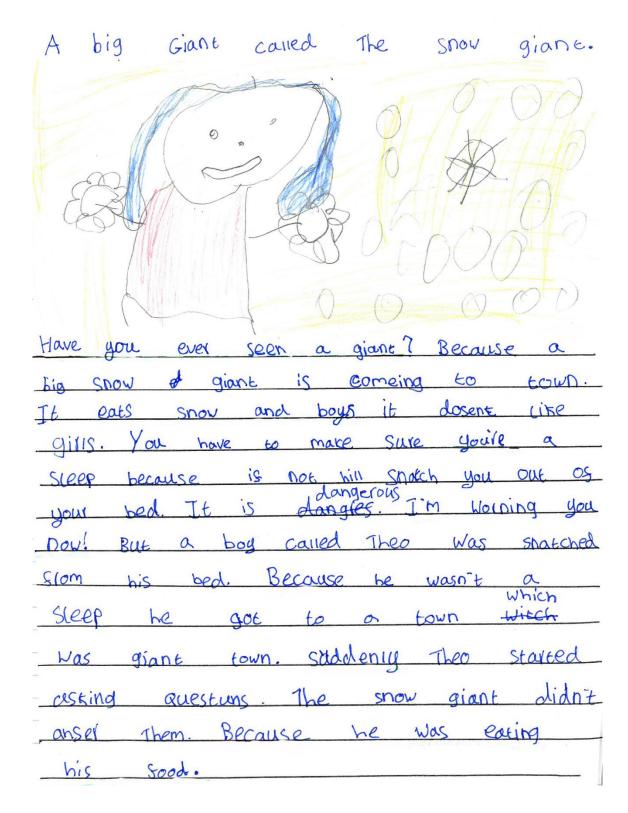

#### Pupil B - Piece C: a retelling of a traditional tale

Context: as a class, pupils explored the traditional tale *Little Red Riding Hood*. After mapping the story together, they were asked to write their own version. (Where the pupil has chosen to make revisions, they have marked the original words or phrases with a cross.)

#### Pupil B - Piece D: a warning poster

Context: as part of their topic on giants, pupils were asked to write their own warning to local residents about the sighting of a mythical giant. During the week that the writing was completed, the local area experienced heavy snow, which is reflected in the pupil's choice of giant.

#### Pupil B - Piece E: a story

Context: as part of their woodland topic, pupils explored different stories that featured the woodland as their setting. They were then provided with the start of a story, which they were asked to continue.

"Come with me and I will show you a world of wonder and delight," said the King of the Forest.

# **Pupil C**

This collection includes:

- A) an information text
- B) a fictional diary entry
- C) a recount
- D) a set of instructions
- E) a story

#### Pupil C - Piece A: an information text

Context: following a visit to a local orchestra, pupils explored the different types of instruments they had seen. As a class they discussed the common features of an information text, before creating individual spider diagrams, recording their knowledge about each section of the orchestra. Pupils then used their diagram as the basis for an information text. They were supported to write a section on brass instruments through guided writing, and then wrote 2 sections of their text independently. The pupil's edits are shown in green.

Having explored different examples of both fictional and real diaries, pupils were supported to identify what Samuel Pepys might have recorded in his diary during the 'Great Fire'. Pupils wrote a fictional diary entry for Monday within their guided writing group before independently continuing the diary entries for the following days.

Context: as part of their 'Victorian Adventure' topic, pupils visited a local Victorian 'living' museum, where they were able to experience different aspects of day-to-day life in a Victorian town. Following the trip, pupils were supported to record some of their highlights in note form prior to writing a recount of their favourite part of the day. Pupils discussed their writing with their peers and were given time to make any edits.

Context: as a class, pupils explored *George's Marvellous Medicine* (Roald Dahl). Different examples of instructions were discussed in order to draw out their key features and the type of language used. Pupils were supported to create a recipe for their own marvellous 'medicine'. This was then used independently to create their own set of instructions in the style of Roald Dahl. The gap in the title of this piece signifies the pupil's name.

#### Pupil C - Piece E: a story

Context: the class explored the story of *Dogger* (Shirley Hughes) as part of their English lessons. They were then supported to plan a story based on a child's adventures with their own soft toy. Pupils independently wrote the beginning of their story before completing it within a guided writing group: the extract below is the pupil's independent work. The pupil's edits are sometimes accompanied by underlining.
