Resource Library

The range of resources in our lending library is available to Peterborough practitioners in PVI settings, nursery & reception in schools and childminders. We add new items to the range each term. Items include training books for adults and a range of childrens books covering topics such as disability, hearing loss and visual impairment.

Come along to Caverstede Nursery School to view the item and borrow items from the library. If you have not already signed up as a user of the library, the loan agreement will need to be completed and signed by a manager/headteacher. These are available on our website or can be emailed to you.

Our **Resource Library Open Day** is being held on Thursday 3rd November 2022

Times are 10.00am - 12.00pm and 3.00 - 5.30pm.

Contact Caverstede Nursery School on 01733 571742 or email hub@caverstede.peterborough.sch.uk for more information or to be sent a loan agreement
