Changes to Teachers pay scales M1-M6

The salary scales have been updated in the Central system for BPS for the recently announced Teachers pay award.

Pay awards remain at 1% for all teachers excepting M1-M6 which have been increased to 2%.

The proposed1% had been included in BPS and therefore we have updated M1-M6 only.

Note – this impacts on future years budgets as well as current year.

To include this update in your budget plans you need to follow the instructions below.
