Login

1. Login using the web address above. You need your Provider reference (establishment number); user name (usually firstname.surname) and your password. If you need help or to reset your password email nurseryeducationfunding@peterborough.gov.uk

2. You may be asked to sign the Code of Practice if someone at your setting has not already done so on Wizard. This is to confirm you have signed up for EY funding – this is already completed through your provider agreement which will have been signed by the appropriate person for your setting, so please accept to progress. On the left-hand menu select Payment Claim (£).

Autumn 2024 Payment

You can choose whether to be paid monthly or by an advanced payment for the term.

Do you want to be paid monthly or in advance? Monthly Advance

Please ensure you complete this return before midnight on **Monday 12 August 2024** as this is the last date you can make a claim.

2 Year Olds

Number of children with 2YO funding

Please select the percentage of estimated final payment to be paid in advance (maximum of 75%)

Number of Funded Children

Average (Week's) Hours per child (Max 15hrs)

Total Funded Hours (week's)

Hourly Rate

3. This brings you to the claim page. First, please select whether you want monthly or advance payments.

Advance payment is where you can receive up to 75% of your estimated term funding up front in one payment and the remaining amount at the end of term following headcount.

Monthly payment breaks the estimated term funding into equal monthly amounts (25% each month)

4. Please note the deadline for claim. If you miss this then you **will not be paid on the first pay date in your Key Dates section** and you will not receive a payment until after headcount.

If you have selected advance payments you can vary the percentage interim payment up to a maximum of 75% using the green slider.

The interim figures are in **term time equivalent**, so please make sure you claim this way. If a child is stretching with you using their whole entitlement, you would simply enter the term time equivalent as 15hrs (or 30 hours for 3&4 year-olds with a valid code).

If a child is stretching with you but doing less than their full entitlement, you would work out the term time equivalent by multiplying the number of hours per week by your setting's open weeks per year. Then dividing that by 38 term time weeks.

E.g. Child is attending 9 hours per week stretched at a setting open 48 weeks per year- $9 \times 48 = 432$ hrs

$432 / 38$ term time weeks = 11.37 hours per week (11 hrs 22 minutes) term time equivalent.

For more information on the stretched offer, please refer to the guide 'Understanding the stretched offer' in the online library [here](#)

5. The first section is number of children with 2YO funding – this is the Disadvantaged 2 YO funding. Make sure you have seen a valid code for this (on a letter or email from the issuing Local Authority to the parent). You do not need to validate this code, but you will need to enter it later in the term at headcount.

Enter the number of children with a disadvantaged 2 YO code here.

Average Weekly Hours per child (max 15 hours) - This an average. For example - three children doing 15hrs and one child doing 8hrs20mns (8.33hrs) average $(15 \times 3) + (8.33) = 53.33$ divided by 4 children = 13.33

Hourly rate and no. weeks in term are pre-populated and term time equivalent.

9. This section is only for providers who meet the eligibility for the flexibility supplement and is only for funded 3 & 4 YOs (universal and 30 hours)

- The provider operates under a single registration for a minimum of 50 weeks per year (not including bank holidays) and is open continuously for more than seven hours per day

Or

- The provider operates for less than 50 weeks but more than 40 weeks per year and is open for a minimum of ten hours per day.

In addition to meeting these criteria children must regularly be attending the provider each week the provider declares itself open and at the very beginning and end of each day. They must also be able to access continually through the day during opening hours, with no closure at lunch. The Provider should also actively promote the stretch entitlement to families accessing the provision.

Under 2 Year Olds
