Full Name	Role/Relationship	Address

Why are you working with the family?

Please include:

The work you are doing, any other work planned, and the response of the child/ren and family to that work.

**What are you worried about
with regard to the child/ren?**

Please include:

Past Harm what has
happened to these children or
other
children in the care of the
adult that worries you or you
consider to be a risk

Present and Future Danger what
are
you worried is happening or
might happen
to the child/ren in the care
of the adults.

<p>Strengths and Safety, What is Working well?</p> <p><i>Please include: Positive features of family life and parenting that either have a positive effect on the child/ren's lives or you consider reduces the risk of harm and therefore makes you less worried. Please try to distinguish between strengths and safety where you can.</i></p>	
<p>Grey Areas or Complicating Factors</p> <p><i>Please include: Any areas that are unclear may be of potential concern, and what you consider is not known or needs to be known to be able to keep the child/ren safe. This could include un-evidenced concerns or areas of disagreement.</i></p> <p><i>Complicating Factors What makes safeguarding the child and working with the family more difficult. Are there times when the risk increases?</i></p>	
<p>What do you believe to be the</p>	

likely outcome for the child/ren if the concerns continue?	
What do you think needs to change to prevent harm and future harm?	
What support can you or your agency provide to help prevent ongoing harm to the child/ren?	

Any other comments	
--------------------	--

Has this report been shared with parents/carers?	Yes/No	<i>If not, please state reason</i>
Has this report been shared with the child/ren/ young person if appropriate?	Yes/No	<i>If not, please state reason</i>

What are the views of the parents/ carers and/or the child/ren / young person on this report?	
---	--

For review conferences, what difference do you think the plan has made to the lives of the children and the concerns identified?	
--	--

The content of this report should be shared fully with the parents/carers, unless you believe this will place any person at serious risk of harm.

This report should be submitted to: Conference and Review Service **at least two days before** the Conference.
