Early Years Pupil Premium Check

The Early Years Pupil Premium (EYPP) is an additional sum of money paid to childcare providers for children of families in receipt of certain benefits. This funding is used to enhance quality of early years experiences and impact positively on your child's progress and development. In order for this funding to be claimed, the local authority must carry out a check.

Please confirm if you receive one or more of the following benefits/credits:

- Income Support
- Income related Employment & Support Allowance
- Income based Job Seekers Allowance
- Support under part 6 of the Immigration and Asylum Act 1999
- The 'guarantee element of State Pension Credit
- Working tax credit "run on" (not Working Tax Credit)
- Child tax credit (with an annual income of no more than £16,190)
- Universal credit (annual net income equal to or below £7,400, and not in receipt of Working Tax Credit, based on most recent 3 UC assessment periods)

Or if the child:

- Is looked after by the Local Authority
- Has left care through adoption, special guardianship or child arrangement order (parents and guardians will be required to provide evidence to the provider, such as their adoption order. A copy should be kept on file by the childcare provider).

Please complete the section below if you are happy for an EYPP check to take place.

Disability Access Fund

Three and four-year-old children who are in receipt of Disability Living Allowance (DLA) and are receiving the universal funded entitlement are eligible for the Disability Access Fund (DAF). From April 2024, two-year-olds receiving disadvantaged entitlement or the working parent entitlement who are in receipt of DLA will also qualify for DAF.

DAF is paid to the child's early years provider as a fixed annual rate of £881 per eligible child (rising to £910 from April 2024). Parent/carers are required to submit evidence of their child's DLA award letter to the childcare provider to support the claim for DAF funding. This will be retained on file.

Is your child eligible and in receipt of Disability Living Allowance (DLA)?

Yes No

Only one childcare provider can receive the DAF for your child each financial year. If you move setting, this cannot be paid to another provider until the following financial year. If your child is sharing their funded entitlement across two or more providers, please nominate the main early years provider where the council should pay the DAF.

Declaration

The parent / carer understands and agrees the following;

1. **Two-year-old Disadvantaged Entitlement:** I understand eligibility must be confirmed by Peterborough City Council before a child can access two-year-old funding. Eligible children are entitled to 570 hours of funded early education each year starting the funding period following the child's second birthday. Two-year-old disadvantaged entitlement can be taken over no fewer than 38 weeks which equates to 15 hours per week. No more than 10 hours of funded early education can be taken in any one day between 06:00 and 20:00. I understand if I am eligible for both the two-year-old disadvantaged and WPE entitlement, only one can be claimed.
2. **Two-year-old Working Parent Entitlement (WPE):** I understand eligibility must be confirmed by HMRC before a child can access two-year-old WPE before the set deadline. Eligible children are entitled to 570 hours of funded early education each year starting the funding period following the child's second birthday. If confirmation of WPE entitlement is not in place before the start of the funding period, the WPE entitlement cannot be claimed until the start of the next funding period. I understand I must reconfirm my child's eligibility for the WPE entitlement when prompted by HMRC to ensure continuation of the funded place. I understand that if my eligibility status changes, the grace period will start and funding will cease at the end of this period unless I can regain eligibility in this time. By signing this agreement, I am consenting to the personal details which I have provided on page 1 of this form being used to check the validity of the code provided for accessing the WPE on the Department for Education Eligibility Checking Service, and I understand the code will be re-checked at 6 points during the year to reconfirm eligibility of the code provided. Two-year-old WPE can be taken over no fewer than 38 weeks which equates to 15 hours per week. No more than 10 hours of funded early education can be taken in any one day between 06:00 and 20:00. I understand if I am eligible for both the two-year-old disadvantaged and WPE entitlement, only one can be claimed.
3. **Three and four-year-old entitlement (universal):** I understand that **all** three and four-year-olds are entitled to 570 hours of funded early education each year starting the funding period following the child's third birthday until they take up a place in school. The universal entitlement can be taken over no fewer than 38 weeks which equates to 15 hours per week. No more than 10 hours of funded early education can be taken in any one day between 06:00 and 20:00.
4. **Three and four-year-old Working Parent Entitlement (WPE - 30 hours funded childcare):** I understand eligible three and four-year olds are entitled to 570 hours of additional funded early education on top of the universal entitlement (total of 1,140 hours) and eligibility for WPE must be confirmed before the child begins accessing a funded place. If confirmation of WPE is not in place before the start of the funding period, the WPE cannot be claimed until the start of the next funding period. I understand I must reconfirm my child's eligibility for the WPE when prompted by HMRC to ensure continuation of the funded place (WPE hours only). I understand that if my eligibility status changes, the grace period will start and funding will cease at the end of this period unless I can regain eligibility in this time. By signing this agreement I am consenting to the personal details which I have provided on page 1 of this form being used to check the validity of the code provided for accessing the WPE on the Department for Education Eligibility Checking Service, and I understand the code will be re-checked at 6 points during the year to reconfirm eligibility of the code provided. The WPE can be taken over no fewer than 38 weeks which equates to 15 hours per week. No more than 10 hours of funded early education can be taken in any one day between 06:00 and 20:00
5. **The three funding periods are:**
 - a. 1 April to 31 August;
 - b. 1 September to 31 December
 - c. 1 January to 31 March.

I understand that Peterborough City Council caps the number of funded hours that can be taken during three funding periods through the year. Up-to-date information is available on the council website or from your childcare provider. The council accepts no responsibility for "term-times" set by childcare providers.
6. I understand that the funded entitlement can be split between two providers in any one day, and three over the course of a week.
7. I will ensure that my child attends the childcare provider for the number of funded hours I have requested in this agreement, and I will inform the provider of any absences.
8. I understand the provider is entitled to terminate this agreement if my child does not attend for four weeks or more.
9. I understand that I am required to give 4 weeks' notice in writing (apart from in exceptional circumstances determined by the council) to the childcare provider if I no longer wish for my child to attend the childcare provider but intend to access a funded place elsewhere. I understand that I may not be able to access a funded place at another childcare provider until the 4 week notice period has expired. I understand that I still need to give notice if I do not intend for my child to start or return to the childcare provider after a holiday period **before** the provider is closed for a holiday period.

10. I understand the funded entitlement is available to me without having to pay the childcare provider any additional costs or charges unless for services/hours/consumables agreed with the provider before my child begins accessing. I understand that unless my child is accessing two-year-old disadvantaged entitlement or if my three or four-year-old would qualify for EYPP (determined on page 1 of this form), I may have to pay a deposit to secure the additional entitlement hours, repayable (if attending in accordance to agreement with provider) within 4 weeks of the child's starting date.
11. I confirm that the information I have provided in this agreement is accurate and true and I will inform the provider of any changes to the information provided. I understand that any false information provided could lead to my child's entitlement being withdrawn.
12. Data protection statement: I understand that this form and the information it contains will be stored on a Local Authority database to provide the minimum data requirements to run the scheme. I understand that the information I have provided may also be shared and used for further consultation or in the planning of early years, childcare, education and healthcare provision.

The childcare provider understands and agrees the following:

1. I will not require the parent to give longer than 4 weeks' notice of any intention to stop accessing their funded entitlement. I understand notice includes holiday periods when the parent has provided notice before closure for holidays.
2. I will not charge a deposit to families accessing for two-year-old funding or who would qualify for EYPP. Deposits charged to other families should be repaid within 4 weeks of the child's start date. Charging a deposit is optional and to be determined by the setting.
3. I have made the parent fully aware of their entitlements as laid out in the Provider's Guide to Funded Early Education Entitlements in Peterborough.
4. Funded early education entitlement for two, three and four-year-olds cannot be claimed by, or spend, on childminders providing childcare for their own child or a related child, even if they are claiming for other children.
5. I will comply with the Data Protection Act 2018 and General Data Protection Regulation when handling all information provided on this form.
6. I have checked that the child is eligible for the funded entitlement by checking their date of birth qualifies i.e. eligible from the funding period after their second (if applicable) or third birthday (e.g. a DOB of 1 April means child is eligible from 1 September).
7. I have confirmed the child's date of birth by witnessing an original identification document to check date of birth. Details of the check are recorded on page 1 of this document.
8. I have checked and received confirmation from Peterborough City Council that the child is eligible for the two-year-old disadvantaged entitlement (if applicable) and have recorded the URN on page 1 of this document. If the code has been issued by a different local authority, I have taken steps to get the code converted before the child starts their funded place.
9. I have confirmed the validity of the eligibility code prior to the child accessing the Working Parent Entitlement for two, three and four-year-olds and I have recorded the code on page 1 of this document.
10. I have retained a copy of the child's DLA letter for the purpose of claiming the DAF fund (if applicable).
11. I have checked that a child who has moved from another setting has provided the appropriate notice period and I understand that I cannot claim the child's funding until the end of this notice period.
12. I have made the parent aware of any consumable charges before the child starts accessing.
