SENI service updates – SEND Forum 28.11.24

Local Area SENI Support (LASS) - Update November 2024

Key dates:

- Secondary SENCO Network meeting Tuesday 21st January 2025 at 3.45pm at Jack Hunt School
- Primary SENCO Network meeting on Tuesday 28th January 2025 at 3.30pm at Ormiston Meadow Academy
- PCC SEND Event 23rd January – being led by steering group – invites with info and booking link will be sent soon
- Next SEND forum – 16th January

Local Area SENI Support (LASS) - Update November 2024

Key points to raise:

- On an EHCNA application – do not put SENCO hours as part of costing
- After secondary allocation (Easter), on an EHCNA put both primary and known secondary
- Reminder to use the new RFI form – this is to help you get the support necessary
- Our forum survey – link in chat

The Autism/ADHD Advisory Teacher Service

- We have had a huge number of RFI's this term, we do have a waiting list and triaging and signposting whenever we feel possible. Please let us know at the earliest opportunity if a CYP is not in school when we are due to visit.
- School planning meetings – we are currently booking and holding these, we hope to have most done before the end of term.
- PINS update – thank you to the schools involved for their enthusiasm, as a result of this ongoing project we will have new resources etc to share with other schools once the current project delivery is completed.

AATS cont'd

- ▶ Options support - Steph has sent a flyer to all secondary SENCO's asking if you would like some support with supporting young people undertaking their options. Please contact her directly if you would like this or transition support for Post 16 options.
- ▶ Early bird plus - will be running next term on Friday mornings if one of your families attends we will contact you and offer a staff place.
- ▶ Autism education trust - training we are now booking for the summer term - please contact AET@peterborough.gov.uk for more information.
- ▶ Remember to share our upcoming newsletter,
