Dear Reader

I hope that all those working in schools in whatever capacity enjoyed the summer break and have returned refreshed and ready for the new school year.

As many of you will be aware, Sally Atkinson from the School Improvement Team retired at the end of August. Sally spent over 20 years working for the Local Authority and made a significant contribution to the development of Early Years provision in the City. Whilst Sally's role is not currently being replaced, we are looking at other ways in which we can support the continued development of Early Years provision in schools.

In this issue:

- [East Anglian Air Ambulance launches Challenge Badge for schools and youth groups](#)
- [Supporting Your Neurodiverse Child - Booklet for Parents and Carers](#)
- [New Peterborough Local Plan - Have Your Say!](#)
- [Promoting Oral Health in](#)

Sally's role with the National Literacy Trust has been filled by Becky Marrs who many of you may know from her previous education leadership roles in the city over a number of years.

The Primary CPD Directory for the New Academic Year has now been published. Please see the link below for the details of our offer to schools which contains a number of new courses for 2023-24.

<https://heyzine.com/flip-book/1c0dcc8c22.html>

Please share this with other leaders in schools as you consider to be appropriate. We very much look forward to working with you again to support your school improvement journey.

With best wishes

National Literacy Trust - Peterborough Hub Update from the new NLT Manager

National Literacy Trust new manager

I would like to introduce myself to you as the new Peterborough National Literacy Trust Hub Manager. It is an absolute privilege to be taking on this role after the amazing work of Sally Atkinson. Having worked in the education sector for the last 24 years in various roles - class teacher, Literacy Leader, LA Literacy Advisor and Senior Leader - it is wonderful to now have the opportunity to focus on my passion of children's Literacy and to work with colleagues and partners across the city to engage children and families in reading for pleasure with a view to raising literacy levels and ultimately life chances.

We have all sorts of exciting events and initiatives happening such as #Take10ToRead. NLT research has shown us that reading can be an effective way of helping people take care of their mental health and wellbeing – and it only takes 10 minutes a day to see the benefits. That's why, on Tuesday 10th October at 10am we are calling on the nation to #Take10ToRead with us in support of World Mental Health Day. There are virtual author events for all phases of education and resources available. If you would like to know more, follow us on Facebook, email me directly or visit the NLT website.

Have you dived into the new 'Reading Framework'?

The Reading Framework was published in July 2023 and has a whole host of new information for school leaders and teachers alike. This new publication provides guidance on how reading should be taught in primary schools and helps schools to meet the expectations set out in the Early Years Foundation Stage framework and the national curriculum. It aligns with Ofsted's Education Inspection Framework.

Building on the previous Reading Framework, it now includes guidance on how to develop fluency once children have mastered accuracy and automaticity in work reading. It uses up-to-date research

to support schools in teaching reading in English lessons as well as using reading to promote talk and discussion in other areas of the curriculum. It has a useful section on how to choose and organise books in the school's library, as well as in dedicated reading areas in classrooms. We all acknowledge how difficult it can be to build a whole school culture that values and supports reading for pleasure, but this document has a plethora of ideas on how to 'keep all pupils reading'.

Each section is then followed by an audit document that will promote extensive discussions with all staff on how to embed reading at the heart of the schools' vision.

We will be focusing on the [Reading Framework](#) in the autumn term Literacy [Subject Leaders' meeting](#) so please come along and join other passionate literacy leaders on unpicking the 'jewels' from this 170 page document.

Summer at Grafham Water Centre

sailing

It's been a busy summer at Grafham Water Centre, with their successful Discovery Club running; places were offered under the Holiday Activities and Food (HAF) Scheme and were filled almost every week. Children have enjoyed joining in with activities such as sailing, climbing and toasting marshmallows over the campfire.

Grafham Water Centre also ran two Rotary Young Leader Award (RYLA camps) – this is a scheme which the centre has run for many years, in conjunction with the Rotary Club. Young people between the ages of 18 and 26 take part in various activities through the week of their stay; this could be learning to sail, or canoe to help them with their Wednesday expedition where they explore Grafham – find a place to sleep under the stars and build a shelter for the night, returning to the centre the next morning!

The centre also had various other groups attend throughout the summer, ranging from Church Groups, Burns Camp, and Craft Groups, just to name a few.

If you might be interested in bringing your school to Grafham Water Centre this Autumn term or any time in the future, please contact: info@grafham-water-centre.co.uk.

Parents urged to apply now for September 2024 school places

The application process for children who need a primary or secondary school place in Peterborough

for September 2024 has started.

Any child transferring from primary school to secondary school next year must apply for a place by 31 October 2023.

Children due to start at primary school next September must complete their application by 15 January 2024.

Parents are encouraged to make applications online. Children starting at primary school will be notified on 16 April 2024. Those applying to secondary school will be offered a place on 1 March 2024.

For further information and to apply for places visit [School Admissions](#).

Department for Education - request for daily attendance report feedback

The DfE 'Monitor your school attendance' data team would like to speak to schools and Local Authorities about their experience of using the daily attendance reports and what support, information and guidance is needed to make their use easier.

Taking part in this research will involve a 45-minute conversation with a researcher which will take place online, via MS Teams or completing a task online without the researcher.

If you are interested please sign up using this [research sign up form](#) <https://forms.office.com/e/MHp4kSNBHC> and we will be in contact with further information.

Help us improve our local mental health services and support website: Keep-Your-Head.com

keep your head website survey

Cambridgeshire & Peterborough's flagship mental health information and support website ([Keep-Your-Head.com](#)) has been providing reliable mental health support since 2016. The website needs bringing up-to-date to ensure it is user friendly and provides the latest information on local services and support available. To do this we need your help!

To help shape this website refresh project, we're asking local people to fill out a short [survey](#) to help gather feedback on the current site and how they currently find out about local information and support available. The survey will run until Sunday 17 September.

Here is the link to the survey: bit.ly/KYHSurvey

Please find the QR Code below.

Your feedback will inform the refresh of the [Keep-Your-Head.com](#) website to ensure we develop an

improved all-age, single point of access mental health website, with advice and information about mental health services and support in the region and highlight recent updates, changes and useful activities. For more information about the refresh project please visit the dedicated page on the ICS website here: www.cpics.org.uk/keep-your-head-refresh

If you would prefer to share your views over the phone instead, please contact victoria.morton@sunnetwork.org.uk to arrange a time and date to take part.

Are You Claiming Pupil Premium for Your Children Previously in Care?

Peterborough Virtual School 2023

PP+ allocations for Children Previously in Care (CPiC) are calculated based on the number of eligible pupils recorded by education settings in the October census. Designated Teachers/Persons (DTs) should ensure they have raised awareness of the PP+ by encouraging parents and guardians to tell their setting if their child is eligible to attract PP+ funding. To assist, DTs may wish to adapt and send out a template letter that can be found on our website: [Template-Letter-for-PP.docx \(live.com\)](#) It should be noted that there is no obligation for a parent or guardian to declare their child as 'previously in care' and their wishes must be respected.

Parents/guardians need to demonstrate their child's eligibility for the funding by showing their setting proof of their child's previously in care status. For example, showing a copy of the legal documentation (adoption certificate, SGO or CAO order) which demonstrates that the child was previously looked after by an English or Welsh local authority and has gone on to be adopted, subject to a special guardianship order or a child arrangement order, or a letter from the Local Authority confirming that they placed the child with the parents or guardians. Once this eligibility has been seen by settings, the child can be recorded as 'previously in care' on the October census and their eligibility does not need to be shown again unless the child moves settings.

Please contact virtualschool@peterborough.gov.uk if you require any further assistance with claiming PP+ for CPiC.

A14: The evolution of a landscape through time - an interactive ArcGIS-based StoryMap

storymap

The archaeological excavations of the [A14 Cambridge to Huntingdon Road scheme](#) were completed by MOLA Headland Infrastructure (MHI) in 2018. With an emphasis on learning and discovery about the impact of human activity on the landscape, MHI have produced a novel online, interactive, ArcGIS-based vegetation StoryMap - [A14: The evolution of a landscape through time \(arcgis.com\)](#). More A14 archaeology StoryMaps are due (2024).

This StoryMap stands to be a great tool to use in geography, science, maths, history, IT, art and creative writing classes. With user-friendly storyboards, videos, maps and links to local research, it is a versatile teaching tool.

KS3 Teaching resources from Better Health on vaping

With a rise in the number of children vaping, Better Health have created [teaching resources](#) aimed at helping Key Stage 3 children understand the impact vaping has on their physical and mental wellbeing. The three curriculum linked resources feature:

- Information on nicotine, what vaping is and the impact it has
- Films co-created by young people
- Activities to prompt pupil discussion and reflection
- Content written and reviewed by teachers
- Guidance on teaching about vaping
- Flexibility of use as either short form time activities or a full lesson plan
- Endorsement from the NHS

Free to download on [School Zone](#) website. Marketing assets including a [teacher email](#) and [social media toolkit](#) to promote the teaching resources.

Awesome Oral Health - September Smile Stations

Awesome Smiles September Stations is a new event funded by Cambridgeshire County Council to offer a whole school approach to Oral Health promotion, with free access to a resource pack. All primary schools throughout Cambridgeshire and Peterborough are encouraged to **set a date in September and have fun** with a circuit of activity stations to encourage all pupils from reception to KS2 to get excited about caring for their smiles. All resources and instructions for the activities are provided by Awesome Oral Health. **Accredited by the British Society of Dental Hygiene and Therapy (BSDHT)**, the digital downloadable resources (including mini videos) can be accessed [here](#).

Artscaping - Free resources to support the establishment of art-in-nature opportunities in school

artscaping

Artscaping is an established arts-in-nature programme run by arts and well-being charity Cambridge Curiosity and Imagination (CCI). It supports learning, mental health and wellbeing and focuses on how all children can flourish. Recent research with primary schools across the county has demonstrated how schools can establish teams of Community Artscapers to run their own nature groups. The impact of Artscaping can be viewed here:

<https://www.cambridgecandi.org.uk/resource/eco-capabilities-2021>

Two new free resources that share the learning and research to date are now available on the CCI website. There is a fully illustrated *Guide to Artscaping*, and a thirty-minute introductory webinar including interviews with children, artists, staff, headteachers and researchers.

The Artscaping Guide and webinar can be accessed here:

New Peterborough Local Plan - Have Your Say!

Peterborough Local Plan

Peterborough City Council has commenced work on a new local plan, which sets out how Peterborough should grow over the next 20 years.

We are currently at the first public participation stage known as the “Issues and Options” and would love to hear from young people who live and study in Peterborough.

We emailed you a consultation pack back in July and would be grateful if your school could deliver these materials on return to school in September and share your feedback **by Friday 29th September**. Further details can be found at: www.peterborough.gov.uk/local-plan-review or email: planningpolicy@peterborough.gov.uk

Promoting Oral Health in the Primary School

CCS NHS Trust Oral Health Webinar For Cambridgeshire and Peterborough Primary Teachers

With NHS dentist places being in very short supply, there has never been a more critical time to ensure that the correct oral health messages are being delivered through the curriculum in primary schools.

To coincide with the September Smile Stations, a free 1 hour CPD webinar, has been created by Cambridgeshire Community Services Oral Health Team, to support teaching staff by upskilling and improving confidence in delivering Oral Health Promotion in the classroom. This includes key oral health messages and basic trauma management along with ideas and suggestions on how best to integrate these into lesson planning to ensure national curriculum requirements are met. The presentation will be followed up with a simple toolkit to inform lesson delivery.

The webinar takes place online on **Tuesday 26th September 2023** (15:45 –16:45)

The Rainbow Flag Award: applications open for September 2023

The rainbow flag award

Are you committed to improving the lives of LGBTQ+ people in your school?

If so, this can be achieved through the Rainbow Flag Award which is a quality assured framework with a focus on positive LGBTQ+ inclusion for all schools and colleges. Effectively implementing the Rainbow Flag Award will help you meet the legal, statutory, moral and Ofsted requirements to be LGBTQ+ inclusive. All Cambridgeshire and Peterborough schools can apply for a subsidised place (up to 50%) for the September cohort by submitting, alongside the application form, a written statement of up to 500 words on how undertaking the Rainbow Flag Award will benefit the mental health and wellbeing of their LGBTQ+ young people and how they will evidence this through the Student Voice and Pastoral Support sections.

The initial training day for the lead person and a member of SLT will take place in Ely on 20th September and the closing date for applications is 8th September.

PCC SENI Service - Statutory Multi-Agency EHCP Training Programme 2023/24 - Book now!

The Local Area SENI Support (LASS) Team, as part of the SEN and Inclusion (SENI) team, have co-produced a multi-agency rolling programme of training and support for Special Educational Needs and Disabilities (SEND) stakeholders and wider partners.

The training programme has had contribution from a range of stakeholders to help identify the areas most needed for development within the different services. The training is free of charge and will run virtually via Microsoft Teams.

Aim of the sessions: To help build confidence, knowledge and better understanding of the statutory processes, specifically around the Annual Review process and the Request for EHC Needs Assessment across all partners, including sharing examples of good practice. To continue to build on the strong communication between services and stakeholders. To improve the SEND provision for children/young people across Peterborough.

[Booking form to sign up](#)

Level 1 and Level 2 Statutory Process Training is open to all professionals working with children and young people who may require an EHC Needs Assessment Request or who already have an Education, Health and Care (EHC) Plan.

Please check the names of the other sessions and please only book onto the session that is relevant to you and your role, as some of the sessions are bespoke to specific areas of working.

- **Year 11 Transition Review Session - Thursday 14th September - 2pm-3pm**

Please come along to this session if you are a Secondary School or a Special School

The aim of the Year 11 Transition Review training is to support person centred reviews being facilitated for children/young people and families in Peterborough and to be compliant with the legal duty to review and amend an Education, Health and Care Plan when a child/young person transfers from one phase of education to another.

The training will focus on enabling settings to understand their responsibilities concerning their Year 11 phase transfer reviews with details of relevant deadlines. This will include a focus on the statutory process, SMART outcomes to the end of the next Key Stage, capturing the views of the child/young person / family, and the review format itself.

The responsibilities of settings, parents and the Local Authority will be shared along with best practice resources and information to support SENCo's with facilitating these reviews and how the Transition Officers can support.

- **Level 1 Statutory Process Training - Thursday 21st September - 2pm-4pm**

General overview of EHC Needs Assessment Requests & Annual Reviews

The purpose of the Level 1 Statutory Process training session is for all delivery partners to understand their responsibilities concerning Education, Health and Care Plans (EHCP's), particularly around Needs Assessment Requests and Annual Reviews, and the timelines required to conform to statutory expectations. This is a general overview and introduction into statutory processes.

- **Level 2 Statutory Process Training - Annual Review of EHC Plans - Thursday 28th September - 2pm-4pm**
- **Level 2 Statutory Process Training - EHC Needs Assessment Requests - Thursday**

16th November - 2pm-4pm

The aim of the Level 2 statutory training is to focus on specific parts of the statutory process in more detail. This will enable all partners to better understand their responsibilities concerning Education, Health and Care Plan (EHCP) reviews and Requests for a Statutory Needs Assessment for a child/young person

- **EYFS EHC Plan Statutory Process Training - Thursday 12th October - 1.30pm-3pm**
- **Governor's EHC Plan Statutory Process Training - Thursday 9th November - 6pm-7.30pm**
- **Social Care EHC Plan Statutory Process Training - Thursday 23rd November - 2pm-4pm**

The aim of the Statutory training sessions is for all delivery partners to fully 'understand their responsibilities concerning Education, Health and Care Plans (EHCP's), particularly Annual Reviews and the timelines to conform to statutory expectations'.
