

Caverstede Nursery School Hub

**EYFS SEND**

Centre of Expertise

**Our Open Sessions for schools with nursery/reception classes are an opportunity to view Caverstede and share strategies with our SENCo, Inclusion Manager and nursery practitioners who support our children with SEND.**

**We have experienced, knowledgeable staff who together with our carefully developed inclusive environment, meet the needs of ALL children.**

**You can also view our SEND resources, learning environment and speak to our staff to get ideas on how you can implement resources cost effectively within your school and classrooms.**

The session for October will be on:

**Tuesday 18th October 2022**

1.30 - 3.00pm

Limited spaces are available.

**Please contact Caverstede Nursery School to book your place onto one of these dates.**

#### **Peterborough Specialist HUBS**

To keep improving the expertise available to our children and young people with Special Educational Needs and Disabilities (SEND) in all education settings in the Peterborough area, the Local Authority has established a growing network of specialist hubs.

The purpose of the hubs is to help raise the quality of support for all children with SEND in all schools in the Peterborough area. Each hub is a commissioned service arising from a partnership between the City Council and the host school / academy, with senior staff from each organisation working together.

Each hub has a designated type of SEND specialism. A centre of expertise might support a local school by:

- Offering specialist resources and training;
- Modelling high quality support in mainstream classrooms;
- Providing telephone helpline and/or drop in sessions.
